Art Unit: 2173

1. The following is an examiner's statement of reasons for allowance:

1.a. Applicant's 9 May 2005 amendment and response places the limitations of claim 4 into independent claim 1. The Examiner had indicated that claim 4 was allowable in the previous office action.

1.b. During further search the Examiner noted the additional disclosures to Zenith (US #6,519,771 B1), Ayyadurai (US #6,718,368 B1) and Suzuki (US #6,826,596), all of which generally relate to the production of responses to messages received in an online environment. However, neither this nor the remaining prior art of record teaches or suggests applicant's claimed "packet format", especially in which the "IED21" and "IED22" components are used to indicate "forward" and "reply message" items, respectively.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Raymond J. Bayerl whose telephone number is (571) 272-4045. The examiner can normally be reached on M - Th from 9:00 AM to 4:00 PM ET.

4. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Cabeca, can be reached on (571) 272-4048. All patent application
